1. The Trust invests primarily in securities of equities and equity-related securities of companies incorporated in, or exercising the predominant part of their economic activity in Korea, or quoted or traded on the stock exchanges in Korea.
2. The Trust is subject to risks, such as investment, equities and equity-related securities, liquidity, currency risks and the risks of investing in small and mid-capitalisation companies and convertible bonds.
3. The Trust's investments are concentrated in Korea and are subject to increased risks, including liquidity, currency, political and economic uncertainties, legal and taxation, settlement, custody, and volatility risk, and the risk of foreign exchange control and restrictions on capital transactions and payments under certain material adverse circumstances affecting Korea.
4. The Trust may invest in derivatives for efficient portfolio management (including hedging) purposes which may involve counterparty/credit, liquidity, valuation, volatility and over-the-counter transaction risks. Exposure to derivatives may lead to a high risk of significant loss by the Trust.
5. Investors may suffer substantial loss of their investments in the Trust.

OBJECTIVE\*\*

To provide a total return, including both capital growth and dividend income (after fees have been deducted), in excess of the Korea Composite Stock Price Index (KOSPI) over a rolling five year period by investing in equity and equity related securities in Korea.

STRATEGY

Identify investment opportunities through a differentiated and innovative investment process using fundamental, bottom-up analysis.

Source: Morningstar/Barings. An investment entails a risk of loss. Performance is shown in GBP on a NAV per share basis, with gross income reinvested. If the investment return is denominated in currency other than USD/HKD, USD/HKD based investors are exposed to fluctuations in the exchange rate of the relevant currency against USD/HKD. Unless otherwise stated, all portfolio figures within this factsheet are as of the end of the month shown at the top of the front page.

1. Performance based on Class A GBP Acc Share.
2. The benchmark is Korea Composite Stock Price Index (KOSPI) and is a target benchmark. The Trust performance includes dividend reinvestment and the benchmark is a price return index that does not include reinvestment of dividends.

The Trust name was changed as of 30 April 2018 from Baring Korea Trust to Barings Korea Trust.

\*Morningstar Rating as of previous month end, please refer to page 3 for additional detail.

\*\*The investment objective was changed on 18 July 2022. There is however no guarantee that this objective will be achieved over any time period. The Trust is not constrained by the benchmark and can make investments in securities that are not included in the benchmark.
